Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us. Heb 12:1

Mana Bhai was a nominal Christian. He knew about the Lord but didn't have a personal relationship with him. But then life took an unexpected turn. He fell seriously ill and one side of his body became paralyzed. He couldn't walk anymore and was confined to bed.

Mana Bhai and his family were shattered. They couldn't understand why all this was happening to him. But little did they know that God was watching their tears and the breakthrough was on its ways. One day, someone asked Pastor Punja Lal to pray for Mana Bhai's deteriorating health. The pastor was deeply moved and he prayed

with sincere faith. The next day, the pastor was informed that there was some improvement in Mana Bhai's health. The pastor was filled with gratitude and he continued praying to the Lord for complete healing and restoration. Mana Bhai's condition kept improving and soon he was completely healed.

Today, Mana Bhai and his family know the Lord intimately. The Lord has done many marvelous things in their lives and has also blessed them with a baby boy.

Raoji Bhai was a popular tantrik baba in his village. He believed that he could solve people's problem through occultism. But little did he know that the spirits in whom he was reposing his trust would ultimately ruin his life. One day, an evil spirit attacked him and he fell seriously ill. Despite all the medication and rituals, his condition became very critical. Death was knocking at his door and there was no one to help.

But then one day, a believer shared the Gospel with Raoji Bhai who had lost all hope. He told him that the Lord could heal him and deliver him completely. He also encouraged him to come to the worshipping community for prayer.

He finally came to the worshipping community and Pastor Paru shared the Good News with him. The entire congregation was filled with compassion and they prayed for his health. During the service, the Lord touched him and he started repenting and pleading for mercy. The Lord healed him completely and delivered him from all bondages.

Raoji Bhai gave up his sinful ways and has been faithfully following the Lord since then.

Today, he is in his mid-fifties but he continues to serve the Lord with the same passion. The man who once lived in darkness has guided many to the Light of the World. He has been fearlessly and faithfully sharing his testimony in his

Arya's parents were facing their worst nightmare. They had already lost one child and now Arya was battling with the same fatal sickness. They were completely broken when the doctors told them that there wasn't much they could do now.

When all hope was gone, the helpless couple came to Pastor Posilya. The pastor and few other believers prayed persistently for the sick child. God heard their prayers and Arya was healed supernaturally.

It's been two years now and Arya has only grown stronger with time. Arya's parents also witnessed one more miracle when the Lord blessed them with another child. When the doctors heard about the pregnancy, they were left surprised because they had told the couple that there was some medical complication and had ruled out the possibility of another child.

Today, Arya's parents have accepted the Lord and are coming to worship the true and the living God regularly with their children. The entire family is growing in the word and the Lord continues to bless them.

Girna was a local doctor who practiced witchcraft. But one day, she fell in her own trap. An evil spirit attacked her and she lost her mind. Her family took her to various places but her condition only grew worse. She became more sick and violent with each passing day.

But then someone told her family about a community of believers who were known for their sincere prayers. When Girna was brought for prayer, the entire congregation stared in disbelief because she was tied in ropes and was extremely violent. Pastor Jerma Posilya, who was leading the prayer, also had his own doubts but then he remembered God's power and faithfulness. He told Girna's family to trust God and untie her in faith.

When the pastor started praying, Girna fell on the floor and started frothing. The evil spirit kept becoming more violent but the pastor and the congregation didn't stop praying. After some time, Girna became quiet and calm. She was delivered from all bondages and God restored her completely.

Girna and her family accepted the Lord and joined the community of believers.

Girna's testimony has brought many to the Lord. When a staff member in the local hospital came to know about Girna's testimony, he was deeply moved. He along with other staff members collected Rs.1,30,000 and built a prayer hall for the believers.

Ramila Bhen was left devastated when she was diagnosed with throat cancer.

The doctors told her that she had no choice but to undergo a surgery.

She wept bitterly and wondered if she would win the battle with cancer.

But then someone told Pastor Sohan about Ramila Bhen's suffering. The pastor decided to meet her and pray over her. He went to her house and encouraged her to trust the Lord and assured her that he would continue to pray for her health. After few days, when Ramila Bhen went for a pre-surgery checkup, the doctors were left speechless. There was no trace of any cancer cell in her throat. The doctor checked and rechecked and finally acknowledged that it was some supernatural grace.

Ramila Bhen walked out of the hospital with tears of joy in her eyes and faith and gratitude in her heart.

There are many more lives whom God is transforming and adding into the kingdom of God through his servants in North India. God is at work and we request you to keep God's work in prayer and support the work with your finances. We welcome you to sponsor a pastor and his family, by providing ministry tools for them, supporting a social project in a village or constructing a community center in village.
